1. Background

KIMS Health Care Management Ltd (KHML) is a corporate entity committed to serve the people by provision of healthcare in line with our mission statement: Care with Courtesy, Compassion and Competence. Our strategic CSR initiatives are based on social and environmental consequences but at the same time due consideration is given to the interests of its stakeholders including shareholders, customers, employees, suppliers, business partners, local communities and other organizations.

2. Main Objectives

CSR Policy of KHML is framed around our ethical business practices and values we have woven over a period of time. Like our business which is strongly dependent on patient outcomes, we have created our framework of CSR activities around people with humanity and person centric approach. We aim to address social, environmental and economic needs of the marginalized/underprivileged sections of the society. Through this policy, we align our CSR strategy with the company's vision and goals. We adopt an approach that integrates solutions to problems to benefit the communities at large and create social and environmental impact.

3. CSR Key Focus Areas:

KHML approach towards social responsibility and sustainability would be on the following key areas and the detailed activities are listed in Annexure A:
